The third meeting of the year was held on March 10th, 2026, and was called to order by President Brooke Buckler. During this meeting, members discussed the upcoming swine showmanship clinic that will be held at Suttler Post Farm on June 14th, the goat workshop that will be held on May 30 th along with finalizing plans for our Community Service projects. We then voted on creating the livestock auction book to be distributed to potential buyers and how to sell advertising slots to help cover the cost of production.

We discussed several items as it pertains to the St. Mary's County Fair and Ms. Cindy provided us with a report from the leaders meeting that was held earlier that week. We look forward to our next meeting on April 14th.
