## Animal Quality Assurance Is Open!

All 4-H members enrolled in alpacas, beef, dairy, goats, horse and pony, llamas, poultry, sheep, swine and rabbits are required to have completed the on-line training prior to July 1st to be eligible to exhibit their project animals at the 2024 Garrett County Agriculture Fair or the Maryland State Fair.

The 2024 program must be completed using Firefox, Chrome or Safari web browsers. The program is not supported by Internet Explorer. The program contains two levels, a Junior-aged Level and an Intermediate/Senior-aged Level. The program automatically directs members to the correct level based on their birthdate.

4-Hers are required to complete the on-line training program:

- If this is their first year as a 4-H member
- When they reach each 4-H age division (juniors (8-10), intermediates (11-13), seniors (14-18) – as of January 1 of the current year)
- When an Intermediate or Senior 4-H member chooses to show a new species since last completing the program within their age division - they must return to the program and complete it for the new species area (The Junior program does not have species specific sections as the Intermediate/Senior program does). Passcodes issued in 2018-2024 should still be viable for returning members. Members with passcodes issued prior to 2015 must register to receive a new passcode. Members may access the AH&QA program at: <https://ahqa.umd.edu/>. A guidebook has been created for more help. You can view it on our website at: <https://extension.umd.edu/locations/garrett-county/4-h-youth-development/events> under the Weigh-In/Shows/Fairs tab.

## 2025 Maryland Animal Health Fair and Show Requirements

The Maryland Department of Agriculture's (MDA), Animal Health Program strives to safeguard Maryland's animal industries at our fairs and shows. With an increased potential of disease transmissions occurring when large numbers of animals gather for exhibition, MDA has set forth requirements for exhibitors to follow at Maryland fairs and shows. As an exhibitor, you can help reduce the potential risk of introduction and spread of infectious and/or contagious diseases by following the species-specific health requirements. Please read the requirements here: <https://mda.maryland.gov/AnimalHealth/pages/fairs-shows.aspx>

## Master Showman Contest

The Master Showman Contest will be held on Friday, August 1, 2025. Interviews will start at 8 am. Master Showmanship will begin at 9:30 am. Contact the Extension Office to register for the contest by July 22nd.
