### Anne Arundel County Master Gardener Plant Swap

Back again for another opportunity to swap with like-minded folks what we love so dearly! If you've never attended the Plan Swap, you are in for a treat! If you haven't started preparing your cuttings, seedlings, and divisions and planting them in clean pots, it's time to get moving! Digging the day of the Plant Swap often leads to sad, limp contributions so give those babies the chance to shine and start preparing right away. We will be meeting at and around the Pavilion at the Extension Office in Gambrills. You may pull up to unload and then park in the parking lot.

Of course we love to have lots of native plants, but some folks might want to share houseplants too. The Boss says, "NO INVASIVES OR DAY LILIES!"

### Native Orchid Tour

Co-sponsoring Organization: Anne Arundel Master Gardeners and Maryland Native Plant Society

Leader: Dr. Dennis Whigham and Judy Fulton

**Location:** Smithsonian Environmental Research Center, Edgewater, MD

**When:** May 10th from 10AM - 1PM

Come see and learn about the beautiful, interesting native orchids growing on Maryland's Western Coastal Plain. Despite the unusual weather patterns this spring, we hope to find several species in bloom, including showy orchid (*Galearis spectabilis*). Orchid expert Dr. Dennis Whigham will be our guide to these sometimes-elusive plants at the Smithsonian Environmental Research Center.

The ecology of plants has been Dennis' primary interest, and his research has resulted in journeys through forests, fields and wetlands around the world. Explorations have lead to studies of woodland herbs – including orchids, vines, wetland species, and invasive species, and studies of forests in the tropics, temperate and boreal zones. In recent years, studies of interactions between orchids and fungi have led in new and exciting directions. His current passion is to establish the North American Orchid Conservation Center (NAOCC), an initiative of the Smithsonian and the United States Botanic Garden. NAOCC will be based on continentally focused public-private collaborations that will result in the conservation of the genetic diversity of native orchids, initially in the U.S. and Canada.

Unfortunately, there are **only 7 available slots** for this field trip! If you are interested in attending, please register using the microsoft form and you will be automatically entered into the lottery. Registration is due April 30th 12am. Lottery results will be shared directly to you on May 1st. <https://forms.office.com/r/Xw26BJmY51>

## Volunteer Opportunities

### Bee Lab

All,

Baby plants are sprouting all over the place, but except for some lupines none are ready for transplanting in the flats. Some milk jug plants may be ready, but not many. Next week more should be thinking about their true leaves.

Workday Saturday 10 AM-2 PM, otherwise all the seeds are out of the big walk in the cooler. There are a few bags remaining in the fridge at the lab, you can use them, but we will release them to the wild on Saturday at the end of the day.

Not much else going on here, waiting really for the plants to grow bigger.

### **Directions to the FWS/USGS Native Bee Inventory and Monitoring Lab**

Pay Attention: You CANNOT use the Patuxent address to get to our lab, our lab has NO street address, use the old-fashioned directions below.

Did we say that you CANNOT go into the normal front gate to the Research Center? Yes, we did...so follow the directions below don't try and hot dog it

Sam Droege's Work Number: 301 497 5840, Cell Number: 301 433 5390

### **Driving Directions**

You access the Bee Lab Building via **GATE 7** of Patuxent Wildlife Research Refuge off of Route 197 (Laurel-Bowie Road)

**DO NOT USE THE REFUGE'S ADDRESS...IT DOES NOT TAKE YOU TO THE BEE LAB!!!**

(you would not believe how often people believe that their cell phone knows more than we do)

Nancy Allred has scheduled volunteer events through May at **Hancock's Resolution** and other dates will be added later. See Signup Genius link below. Note: April has two time slots to provide volunteer coverage for [Hancock Resolution's Spring Festival](https://www.signupgenius.com/go/10C0D4BA5A828AAFECEF8-47950525-volunteer#/).

The **Dairy Farm Veggie Garden** is looking for volunteers on the and fourth Monday of the month, starting at 9am. We will be prepping beds for the spring and starting some seeds and seedlings. RSVP not required. Contact [Kim Stringer](#)

\*\*\*\*\*

**MG volunteers needed!** The Make a Plate 4 Annapolis, in concert with Joy Grows, is looking to expand community gardens at a housing project in Eastport (Harbor House and East Terrace). The focus is to help people grow plants in rewarding and sustainable ways and according to the needs of the community. The volunteers meet in the range of 2 to 6pm every Sunday at 1100 President St. This project has been approved by Maxine for credit hours ("Grow it, Eat it"). For more information, contact MG [Kristin Silva](#), or [Erik Berg](#).

\*\*\*\*\*

**Linthicum Walks Project: Earn up to 4 hours, plus travel.**  
**When: Tues. May 6 and/or Tues. May 20, 9:30 - 11:30 AM**  
**Tasks:** Identify desirable plants, complete renovation of a large new bed, and create pretty photo op spots. The garden will host Crofton HS pre-prom photos in 2 weeks, a perfect opportunity for Master Gardener public outreach and education. Last year, hundreds of residents enjoyed our Certified Monarch Waystation in their prom dresses and tuxedos (see photos: [www.historiclinthicumwalks.org/post/crofton-high-school-prom](http://www.historiclinthicumwalks.org/post/crofton-high-school-prom)). We could really use your willing hands to make this garden sparkle! Contact [Ingrid Watson](#) to RSVP or just bring your work gloves and tools to 2295 Davidsonville Road, Gambrills/Crofton (next to Crofton Middle). Interns and new project members especially welcome.

## For Your Information

The supplies are coming together to replace the roof and door of the information kiosk at The Apprentice Garden at Kinder Farm Park. We are currently in search of half sheets of plywood for possible donation before we purchase. Dates for construction will be determined soon. Any interested volunteers who would like to help build or paint are welcome. Please contact [Deb Fritz](#)

**Linthicum Walks Project: State Extension Office Visitation**

Join us Tuesday, May 20<sup>th</sup> from 9:00 - 11:30 AM for an exciting workday with special visitors from UMD Extension (State Coordinator, Master Gardener Program) and the [Home and Garden Information Center \(HGIC\)](#)! They'll film our project for their HGIC social media accounts - a fun opportunity for AA County Master Gardener public outreach and a chance to invite them to additional AAMG projects too. Contact [Ingridwatson@outlook.com](mailto:Ingridwatson@outlook.com) or just bring your gloves and tools to 2295 Davidsonville Road, Gambrills/Crofton (next to Crofton Middle School. Look for the large maroon/white sign. Come join us even if you're not a regular project member. Additional workdays will be scheduled soon.

## Bee Lab

The seedlings are up and growing so come pot your plants. Also, you can come to the bee lab and dig out some of the plants in our old research beds...take them to a good home.

Saturday, we meet from 10 AM – 2PM

Sam

### **You're Invited: Volunteer Appreciation Celebration!**

Join us as we celebrate our incredible volunteers! We're hosting a special Volunteer Appreciation Event at the Dairy Farm Pavilion on **June 3rd at 6 PM** to say thank you for your time and dedication. Enjoy delicious catering, exciting raffle prizes, and gift bags as a token of our gratitude. It's our way of recognizing the impact you make every day. It's a chance to relax, connect, and celebrate everything we've accomplished together. Please RSVP using the link below. We hope to see you there!

## Volunteer Opportunities

### **South County Senior Center/ Library Native Garden**

**Work sessions:** Saturday, May 31, June 28, July 19, Aug 16, from 10 AM to 12 PM. Please bring your favorite tools, water, gloves, etc. We will also schedule a Friday afternoon date. Please contact me to rsvp: [Linda Fennell](mailto:Linda.Fennell@umd.edu) or 443-336-8153.

### **Linthicum Walks Project: Our outreach is growing!**

Join our next workday, Tuesday May 27<sup>th</sup> from 9:30 - 11:30 AM. Earlier this week, visitors from the UMD Extension HGIC and 'Visit Annapolis' marveled at the diversity of plant species and insects our project supports. Check out our updated project website: <https://extension.umd.edu/resource/linthicum-walks/>. We are reaching a lot of people with our Master Gardener messages about sustainable gardening. Contact [Ingridwatson@outlook.com](mailto:Ingridwatson@outlook.com) or just bring your work gloves to 2295 Davidsonville Road, Gambrills/Crofton next to Crofton Middle School and look for the large maroon sign. Additional workdays will be scheduled soon.

## **Bee Lab/RePollinate Anne Arundel**

RePollinate is remaining positive and moving forward, On Monday, Patchin and I picked up great species of seedlings to transplant and filled the back of my SUV with pots. Transplanting continues to be a priority, and the pen is already filling up. The Bee Lab will not be open Saturday. Please note the short timeframe we must get these seedlings transplanted (end of June/beginning of July), so if you have thoughts of volunteering, this is a great time to do so. [Lauren Toomey](#)

### **Severna Park Plant Clinic Garden**

- Reminder to all Master Gardener Plant Clinic members to bring at least 2-gallon jugs of water when your team is on duty at the Market and take them home at the conclusion of your day to be able to bring them back full on your next rotation. The trees and shrubs especially will need watering during the warmer temperatures this season and next!

- Our MG's are explaining to market visitors the purpose of the garden as they explain the benefits of native plants. Yay!
- Rain is good for the plants. We will continue our planting efforts on Wednesday, June 4th. RSVP [Kim Forry](#) or [Pam Hanna](#) if you would like to help plant more perennials in the garden.
- Wednesday, June 4th 8:30-10-30 AM or 1:00 - 3:00 PM
- Hope to see you soon.
- Best regards, Kim

**ATTENTION INTERNS**-The following dates are still available for the Severna Park Farmer's Market on the Sign-up Genius: 6/14; 7/26, 8/16. 8/23 To sign up, go to: [Master Gardeners: Severna Park Farmer's Market 2025](#) Contact [Pam Hanna](#) with questions.
