Red House 4H Club News

Braden Harvey, Reporter

The August meeting of the Red House 4-H club was held on Friday, August 1, 2025, at the Garrett County Fair. The members all met at the corn booth and then we walked to the different barns and listened to each member give a demonstration of their animals that were exhibited at the fair. We also talked about all the fun and exciting times we were have had during the fair so far! Families were reminded what time they had scheduled to work the corn booth Friday. Members were all also given their Ag Bash tickets that they could start selling for the Ag Bash that will be held at the Ag Heritage Hall on October 4, 2025. All tickets must be turned into Nikki at our September meeting. We also welcomed new members Reid, Cais, and Isabella Sines.
