

Decoupage Class Offered

Join us for a fun afternoon making your own personalized decoupage clipboard using a variety of materials from paint, fabric, paper and photos. You'll have the opportunity to show your creativity and explore different design techniques. We will guide you every step of the way, ensuring you have everything you need to make a clipboard that reflects your personal style. We will provide the clipboard and essential supplies. Feel free to bring your favorite photos or decorative items to make your project one-of-a-kind. We can't wait to see what you create!

Join FTC Team 2818 G-FORCE!

Are you a student in grades 8–12 who's curious about robotics, engineering, or teamwork? We want YOU on our team!

FTC Team 2818 G-FORCE is a community-based 4-H robotics team based out of Accident, Maryland, welcoming students from Garrett County and surrounding areas.

💡 What is FIRST Tech Challenge?

FIRST Tech Challenge (FTC) is a global robotics competition where teams design, build, and program robots to complete exciting tasks that change every season. It's more than robots. It's about:

- Engineering & problem solving
- Collaboration & communication
- Innovation & creativity
- Competing with gracious professionalism

🎓 How FIRST Helps You After High School:

- Develops real-world skills in STEM, leadership, and teamwork
- Access to exclusive college scholarships (over \$80 million available annually!)
- Connects you with mentors, industry professionals, and potential career paths
- Boosts your resume and college applications with meaningful hands-on experience

🔧 Why Join G-FORCE?

- We're an experienced team with a strong foundation
- You'll learn real-world STEM skills
- You'll make friends, travel to competitions, and build something amazing together

No experience is necessary. Just bring your curiosity and drive!

Location: Based in Accident, MD

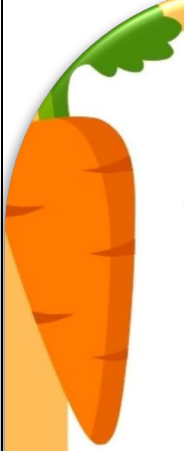

Who Can Join: Students entering grades 8–12

Open to: Garrett County & surrounding areas
