Clover News

Clover Camp was a wonderful success this year! Campers enjoyed a variety of activities, including games, painting, and fun craft projects. It was a great opportunity for our youngest 4-H members to learn, create, and build friendships while having a fantastic time together.

A very special thank you to Brynn and Brylee Boyden for your help at Clover Camp!

2025 Overnight Camp Honor Campers

Congratulations to our Honor Campers who have shown exceptional leadership, teamwork, and dedication throughout camp!

Robotics Teams Shine in Competition and Community Service

This year's 4-H Robotics program was filled with fun, excitement, and plenty of innovation. Our teams worked hard throughout the season, learning new skills in engineering, coding, and design while building their robots. Along the way, they demonstrated exceptional creativity, teamwork, and problem-solving as they prepared for the Maryland State Fair Robotics Challenge.

In addition to robotics practice, our LEGO teams also explored STEM in new ways. They completed hands-on lessons with Ozobots, learning about programming and problem-solving in a fun and interactive way. They also put their creativity to work by participating in a commercial by Charles County Environmental Resources in teaching the public how to properly recycle.

Our youth did not stop there—they gave back to the community by joining a cleanup effort to make our neighborhoods brighter and cleaner. Their commitment to service was also recognized at the State Fair, where they did exceptionally well on their community service project.

We are incredibly proud of our 4-H Robotics teams—not only for their achievements in robotics, but also for their leadership, creativity, and dedication to serving others.

4-H Presents with Skylan

Congratulations to Skylan Brassell for her outstanding accomplishments at the Maryland State Fair!

Skylan's Environmental Science display, earned her the Senior Grand Champion award as well as a Certificate of Scientific Excellence from the Maryland Department of Natural Resources.

In addition, she showcased her vocal talent in 4-H Presents!, where she received a Blue Ribbon Excellent Award.

We are so proud of Skylan's hard work, dedication, and creativity. Way to go!

Bunny News- What is Hoppining Now?

By: Elizabeth Hayes, Rabbit Club Reporter 2025

Meeting Updates:

- **January:** Holiday party and officer ceremony .
- **February:** Learned about Holland Lop breeds and painted heart shaped magnets.
- **March:** We made bunny crafts and learned about bunny sickness. I learned how to pose my Holland Lop.
- **April:** Rabbit club members made baskets and learned about Netherland Dwarf.
- **Community Service:** Rabbit Club collected canned meats, canned soup and cereal for a local food bank.

Rabbit Club Members attend other 4-H Events:

- **Archery:** Club members had a goof time at archery. Members learned to aim, how to stand, and shoot the bow. It was hard for some to hit the target but everyone had fun.
- **Air Rifle:** Club members at Air Rifle learned to load the gun and about the safety button. Members also learned to aim and parents helped pump the gun.
- **Skillathon:** Club members went to different stations and learned about different meat cuts, and parts of a cheep. It was lots of fun!
- **Sewing:** In January, club members made a patchwork pillow sham and another smaller pillow. In February club members made a Valentine's Day table runner. In April, club members made aprons.
- **Poultry Judging:** Club members learned to candle an egg and how to use a butter knife to crack open an egg.
- **Broiler Project:** Some members are participating in a boiler project, a project where you raise chicks for 8 weeks for meat. Some members are raising 15 and others are raising up to 40!
- **Vet Science:** Club members learned about how viruses spread and made animal first aid kits.
- **Algae Academy:** Members grew algae and learned about different things that have algae in them, such as blue M&Ms.
- **Hippology:** Members learned about breeds, parts of the hoof, and the horse. Members also learned about different feeds and careers that involve horses.
- **My Family's Garden:** Members learned about different types of gardens and made their own!

Several Rabbit Club members participated in the Spring Show Rabbit Competition and Smile Show Rabbit Competitions:

Farmer's Fortune Club Updates

By: Haleigh Durst

From livestock being born, to Spring Show, to 4-H Day Camp and everything in between, our Farmer's Fortune club members have been staying busy. Some members competed at the State Public Speaking contest at University of MD. Many members welcomed calves, lambs, kids, chicks and other baby animals this spring. Many of these animals will be 4-H projects for this show season. Some even were shown at the SOMD 4-H Spring Show at the beginning of June and at S.M.I.L.E. Many of our club members placed in Showmanship and in their individual classes. Congrats to everyone who participated!

While we all received updates at our monthly club meetings, our Clover members stayed busy too. At the May meeting they made a butterfly craft.

To kickstart summer and spread the word about 4-H, a few of our club members participated in Cobb Island Day! They put together a float that showed some of their animals. They earned 3rd place in the Youth category.

Rebels Club Report

By: Zoey Herron, Club Reporter

The Rebels club has had a busy year so far! In January, we had our officer ceremony and welcomed lots of new members to our club! February we painted ceramics for the fair, in March we learned about bees and tried local honey, April we made hydroponic planters.

In May we made bird houses to enter in the fair. Spring time had our members participating in sewing and gardening workshops, livestock skillathon, broiler projects and hippology. Summer club activities included, our annual club picnic at Mrs Baileys farm, fishing day and fair baking day. Rebels members also participated in poultry judging, robotics, day and overnight camps, Spring Show, SMILE show and State Fair! Project days and canning workshops were a big hit this year!

As we entered fair season we had members show at Prince George's and Charles County Fairs, there were tons of entries in the 4-H building and Skillathon contests! Our community service project this year was prepping and planting the flower beds at the Hughesville Baptist Church where we hold our monthly meetings. So far it has been a very successful year for the Rebels Club, and this year also celebrates our 50th year as a 4-H club!

Shotgun Group Updates

By: Frank Fruh, Shooting Sports Coach

The Charles County 4-H Shooting Sports Shotgun Group is practicing hard to prepare for our State Shoot on 10/18.

We have almost completed our training on shooting the game of "TRAP" and are moving into teaching the game of "SKEET" very soon. We are averaging 14 shooters at each class. Class meets every Sunday afternoon 4pm - 6pm @ Metro Gun Club near Waldorf. Please contact Mrs. J. Williams (jeanneh@umd.edu) at the 4-H office for more details.....OR.....simply come by to watch one of our practices!! We are always looking for more shooters and more adult volunteers - even those that wish to become shooting instructors and join our teaching team.

2025 Fair Results

Congratulations to all 4-H'ers who participated in the Charles County Fair this year!
