CLOVER BY 4-H

Whether you are new to 4-H or you are a 3rd generation 4-H'er, you may not have heard of CLOVER by 4-H. This is different from a cloverbud or a clover program. Instead, CLOVER by 4-H is the National 4-H Council's catalog of interactive online classes! There are classes for ages 5-18 and on any topic you can imagine, from financial literacy, to agriculture, to cooking.

If your child is under 13 years old, a "parent account" is required to assist with monitoring your child's online activities.

Club Leaders can also sign up for CLOVER by 4-H and can view all of the content to find potential club activities and even manage multiple learner accounts for their clubs.

In addition, the very best part is that CLOVER by 4-H is free!

Enhance your 4-H experience by trying CLOVER by 4-H. You may just find your new passion!

VIP Day at the Fair

All 4-H'ers ages 12 and up can perform a very worthwhile community service and earn fair hours or SSL hours. The VIP Day Volunteer hosts escort children with disabilities or who are chronically ill around the fairgrounds on Monday, August 11 from 10:00 a.m. to 2:30 p.m.

Remember the 4-H Pledge '...My heart to greater loyalty, My hands to larger service...' Give some of your time to helping these children enjoy their day at the fair.

There will be a training session for all interested volunteers on Monday, August 4 from 7:00 to 9:00 p.m. at the Heritage Building at the fairgrounds. PIZZA dinner will be provided.

Volunteer at the Big Cheese Booth

The Montgomery County Agricultural Fair is just around the corner! This year the Fair will be August 8 through 16, 2025. Volunteers are needed during the Fair workdays and the Fair days for the Cheese Booth. This is a fun and easy way to earn Student Service Learning hours or Agricultural Center Membership hours.

Training sessions are scheduled so everyone becomes familiar with the responsibilities. The Cheese Booth also needs help before and after each training session to help prepare the booth for the Fair. To register for preferred work shifts, you MUST attend ONE of the below sessions. This requirement is for everyone, new volunteers and prior year volunteers.

August 2, 9:00 to 10:00 a.m.

Sessions will meet at the Cheese Booth. The above Saturdays are Fair workdays and the Cheese Booth will need help preparing the building for the Fair. Fair workday sign-in begins at 8:00 a.m. each Saturday. Volunteers who sign in before 9:00 a.m. will get a free lunch ticket. Your help is always welcome. Volunteering is more enjoyable with friends and family, so bring them along too!

Direct questions regarding the Cheese Booth to, Sue Sullivan, 301-325-4384 email at Suesonline@aol.com

Volunteer at the Information Booths

The Information booth is a great way for 4-H'ers, 12 years old and up, to volunteer and start working toward their fair memberships or SSL hours. IN ADDITION, we need parents and other adults to help supervise.

We have four booths throughout the fair grounds. Teams of two to three people work each booth for a minimum of four-hour shifts. Shifts are 10:00 a.m. to 2:00 p.m., 2:00 to 6:00 p.m., and 6:00 to 10:00 p.m.

Friends and families can work together and entire clubs can sign up together if they want. We would like 4-H'ers to be in the booths while adults help by monitoring each booth and by visiting the booths at intervals and dropping off any needed information materials. Good public speaking is great, but an enthusiasm for the fair is all that is needed. In order to volunteer, you must

attend one of the orientation meetings. Clubs that want to sign up together may request to receive a training at one of their meetings.

The info booth orientations take place on the fair workdays (Saturdays) at the following times:

August 2, 11:00 a.m. to Noon

To register, and for more information contact Sue Sullivan at suesownline@aol.com

Animal Exhibitor Orientation Required To Show!

All 4-H animal exhibitors (this includes ALL animals, even the pet show) at this year's Montgomery County Agricultural Fair will be required to attend an exhibitor orientation meeting.

Topics will update you on new rule and procedural changes for animals, public health, 4-H rules, fair policies, and other helpful tips to make sure you have a positive fair experience. The last session will be held at 8:30 a.m. sharp on August 2, in the Heritage Building at the fairgrounds. Doors will be closed promptly at 8:30 a.m. and no late entry will be allowed once the program begins.

A parent must be present to sign the attendance form. If you have any questions, please contact Catherine Savage at csavage9@umd.edu or (301) 590-2813.

Pet Show Requirement

The Pet Show is a super fun casual dress contest. Pets entered should be friendly and have no history of aggression.

ALL PET SHOW EXHIBITORS: The 4-H'er and a parent or guardian must attend one of the quality assurance meetings held in the Heritage building at 8:30 a.m. sharp. Last session is on August 2.

Please check the fair catalog for all requirements of pets entered in the pet show. All required identification and testing requirements/certificates for all species will be enforced the same as any other livestock event at the fair. This could be tattoos, RFD tags, etc.

Dogs and Cats MUST have a current rabies certificate at check in. Rabies tags will NOT be accepted as proof of current vaccine.

Please read the rules carefully for everything, including promotion. Pets shown in the pet show cannot be shown in any other fair event.

We want 4-H'ers to have the most positive, fun experience possible. Feel free to contact Lisa Righter, LocustSprings@aol.com, 301-538-0004 with any questions. Email is best.

Rabbit Exhibitors

As per Maryland Department of Agriculture, all rabbits must be tattooed in the left ear for positive identification. This is a rule that must be enforced as animals in the pet show are subject to inspection and held to the same standards as all other livestock.

The Montgomery County Rabbit Club has generously offered free tattoo(s) for any rabbit(s) entered in the pet show on the last workday, August 2 in the morning. Please look for the Fair Veterinarian if your rabbit needs a tattoo.

The Pet Show is about having lots of FUN! Please join us!

Share at the Fair

Exhibiting your projects is one requirement for completing 4-H projects, and the fair is a great place to do just that! If you are enrolled in Montgomery County 4-H, or a 4-H afterschool program you are eligible to enter your exhibits in the 4-H Building or in any of the 4-H outdoor activities. The 2025 Fair Catalogue is available online at the fair website.

Parade Floats

The 2025 4-H Parade Theme for the Montgomery County Agricultural fair is "Bee-lieve in yourself with 4-H".

The 4-H Parade theme complements this year's Agricultural Fair theme of "Make a Bee-line to the Fair".

For comprehensive parade rules, please check the printed and online catalog when available.

For more information, please contact Chuck Schuster, cfs@umd.edu, 410-596-2159.

Entering Your Work at The Fair

Once the fairground receives all 4-H entry registrations, they generate the display tags for each entry. Leaders will be notified when tags are ready to pick up.

Display tags must accompany each indoor entry at the fair. You must make an appointment to pick up your tags at the 4-H office. Alternatively, you can pick up

your tags at the Fairground on entry day. If you wish to volunteer to help sort tags, contact Jeannine Shriver at jshriver@umd.edu.

Exception to the July 20 pre-entries deadline. ONLY for Divisions 13-Vegetables and Fruits, 14-Flowers, and 15 – Agricultural Products. Pre-entry will not be a requirement for Divisions 13, 14, and 15 but are encouraged, before 20 July. This includes all vegetables, fruits, flower specimens, and agricultural products. We understand that the weather and other environmental factors play a vital role in these entries and their success. Because these factors make it difficult to know what your entries might be a month ahead of time, we encourage you to enter as many classes in these Divisions online. However, we will accept on-site entries in Divisions 13, 14, and 15 only.

Blank entry tags will be provided at check-in for divisions 13, 14, and 15. These items will be received on Saturday, August 10, from 3:00 to 6:00 p.m. as usual. Remember to arrive early to give our youth enough time to fill out their tags. Poster boards will be placed with a “how-to” fill out your tag information. In addition, volunteers will be stationed at the check-in table to help our youth fill their tags.

How to bring your indoor entries to the 4-H Building at the Fair

Monday, August 4 – only day to enter club booths and banners, 6:00 to 8:00 p.m. Club books are optional on Monday.

4-H Cake Auction Sunday, August 10

You are cordially invited, along with all of your friends and family, to join in the annual 4-H Cake Auction. The Cake Auction will take place in the Cattle Pavilion on Sunday, August 10 at 6:30 p.m.

Cakes that won blue ribbons at the fair will be auctioned off to the highest bidder—this is the main fundraiser for the Montgomery County 4-H Program. All money raised from the auction goes to Montgomery County 4-H to provide programs and opportunities for our 4-H youth and volunteers. Some of the things the funds are used for include resource materials, ribbons and awards, registration fees, and scholarships.

We need your support for the cake auction. Even if your child's cake is not in the auction, please join with friends and family to form a group to bid on a cake. If you know a business that would be interested in participating in this charity event, please encourage them to attend the auction on Sunday.

If you know someone, or a group of people, who want to bid on a cake and need fair passes, please contact Jeannine Shriver at jshriver@umd.edu. We have a limited number of passes to use for this purpose.

Get In Line for the Parade

Help to get the 2025 Fair off to a great start by participating in the 4-H Parade on Sunday, August 10 at 5:00 p.m. Clubs may enter walking units or floats. If a club wishes to enter a float, the club must arrange for the wagon/trailer itself. The fair will provide a tractor and driver to pull the float.

The theme of this year's 4-H Parade is "Bee-lieve in yourself with 4-H".

Are you looking to promote your club? Do you want to share all the exciting activities your club members do at the fair, and all year long? This year they have a catapult and zip line! They build a new one each year. CLUB & MEMBER CORNER

Anvita D's. Diamond Clover Level 6

This year, Anvita has been working tirelessly on her Diamond Clover Level 6 Project, "Sewing and Smiles." Over the past few months, she has organized workshops at the County 4-H office to teach basic sewing skills. On average, seven kids attended each workshop. At these workshops, kids learned how to sew a pillowcase. The finished pillowcases will be donated to Ryan's Cases for Smiles, an organization dedicated to improving the quality of life of children and their families as they undergo treatment in the hospital. This project combines her passion for sewing with her dedication to volunteering and helping others.

Her favorite parts of the workshops are seeing the eagerness on the kids' faces when they get started, the joy after they have successfully sewn a pillowcase, and their patience in between.

She has plans for two to three more workshops coming up! She intends to organize another workshop after the fair in addition to hosting a pillowcase-making event at the Damascus Community Fair in September! If you would like to support her Level 6 project, sign up for the next workshop. Her goal is to teach as many kids as possible (or at least 50).

Anvita have learned many life skills from this project so far. Between workshops, sorting materials, and managing school, she has learned time management, documentation, organization, communication, and leadership. Lastly, she would like to thank Chandini Montgomery and Catherine Savage for their continued help and support at each workshop. She hopes this project will continue to inspire others not to be intimidated by a sewing machine, learn how to sew and make personal projects, as well as motivate their charitable spirits to donate to similar organizations.

Clarksburg Helping Hands 4-H Club

By Vincent and Matthew M.

The Damascus Lions Club recognized the Clarksburg Helping Hands 4-H club at their annual Youth Recognition Night. The Lions' club mission is to help the community by addressing specific needs within the community, and to provide support for youth organizations.

Special thanks to the Damascus Lions Club for their support. The Clarksburg Helping Hands Club uses the Lions Club backing for the Diamond Clover Level 6 projects, as well as other club programs.

Damascus Community 4-H Club

By Chace B.

At the July business meeting, some of the Damascus Community 4-H Club members gave demonstrations on how to make a chocolate cake in a mug, and how to make a rubber egg. The club also voted on a theme for the Damascus Fair. The members chose "Smurfs". The meeting was adjourned, and the members played outside on the playground. Some members displayed their talents with hula-hoops.

Sunny STEM 4-H Club

By Caitlyn Y.

In March 2025, the Sunny STEM 4-H Club had an exciting and fun meeting at Sportrock Climbing Centers in Gaithersburg. The Club invited members from the Potomac 4-H Club, and a local high school to join them for an event full of climbing, cheering each other on, and building confidence.

Everyone started by putting their gear on, and listening to safety instructions before heading to the climbing walls. Whether it was someone's first time or they had climbed before, all members got the chance to try their best, support their friends, and celebrate each other's efforts.

After the climbing, they took group photos, and enjoyed snacks and pizza together. It was not only a great way to be active, but also a fun time to make new friends, work as a team, and create awesome memories in the community.

Kids N' Dogs Club

By Clara R.

The Kids N' Dogs club is getting ready for the Montgomery County Fair! Come join the Club and their dogs on August 11, and watch the members show off all the skills they have learned this year! They will perform fitting and showmanship, agility, obedience, rally, and promotion. The club is also hosting an agility fun match on October 25, 2025 at Warrior Canine Connections. It can be a fun and easy way to test your dog without the pressure of a show.
