Trailblazers 4-H Club News

Reporter, Maci Pritt

The Trailblazers 4-H Club kicked off the month of May by participating in the Western Maryland District Show, where members proudly showcased the hard work, dedication, and commitment they have invested in their livestock projects throughout the year.

Later in the month, the club gathered for its monthly meeting, which featured barn tours hosted by members. These tours provided an opportunity for members to share their projects while learning about one another's animals and experiences. Following the tours, members met at Devler's Ice Cream for ice cream and the monthly business meeting. During the meeting, several upcoming events and important deadlines were discussed, including the Trailblazers Dairy Queen Spirit Night fundraiser, the Beyond the Stars (Kind Like Kenzie) Jackpot Show, required deadlines for the 2026 Garrett County Fair, and the next monthly meeting which would be held at a West Virginia Black Bears game.

The Trailblazers 4-H Club began the month of June with a brief meeting focused on upcoming events, fundraisers, and important fair deadlines. Members received the Trailblazers 4-H Club Fair Fun Calendar, one of the club's annual fundraising efforts. Community members can support the club by purchasing a spot on the calendar from any Trailblazers member for a chance to win several exciting prizes which include 10 General Admission Passes to the 2026 Garrett County Fair, a \$100 Sheetz gift card, and a \$250 cash prize.

Following the meeting, members, families, and friends enjoyed an evening together at a West Virginia Black Bears baseball game, followed by a spectacular post-game fireworks display.

The Trailblazers 4-H Club would also like to extend a sincere thank you to everyone who supported our Dairy Queen Spirit Night fundraiser on Tuesday, May 26, 2026. Your generosity and continued support help make it possible for our members to participate in educational opportunities, community service projects, and livestock events throughout the year.
